

TOPIC:
Ancient Methods
For Promoting
Self-Healing

Today in modern medicine we are facing many health issues that are conditions, not actual diseases. Hormonal system imbalances, lipid metabolism disorders, nervous system dysregulation disorders, and hypertensive conditions, are in this category.

This class will explain the possible reasons for these endemic health issues; and how we may use our classical teaching in TCM -- such as Ancient wisdom of Shang Han Lun and Golden Chamber Method -- to correct such conditions.
